WIN BY NOT LOSING: A DISCIPLINED APPROACH TO BUILDING AND PROTECTING YOUR WEALTH IN THE STOCK MARKET BY MANAGING YOUR RISK

Book Condition: New. Publisher/Verlag: McGraw-Hill Professional | A DISCIPLINED STRATEGY FOR AVOIDING MAJOR DOWN MARKETS AND PARTICIPATING IN BULLISH MARKETS Your financial advisor's strategy to buy-and-hold a diversified equity portfolio sounded good. Diversification promised to protect your wealth. Now, however, more than a decade of hard data shows it didn't work. And, more than likely after a decade of multiple financial shocks and crashes, your account balance is not what you hoped it would be when you started saving years ago. Much of your investment life has been spent just trying to make back what was lost. Win By Not Losing reveals how you can make smarter, more profitable investments by first protecting your capital from major bear equity markets. It also shows you how to identify major bullish equity market trends and guides you on how best to participate. By avoiding the major downs and catching the ups, your portfolio compounds gains and allows you to achieve your financial goals. Chasing returns leads to the poorhouse. With this book's disciplined system for knowing when to buy, what to buy, and when to sell, you can build and protect your portfolio through active management techniques. It walks you step-by-step through growing your portfolio in bull and bear market cycles. You will master a concrete investing method that lets you trade with emotionless confidence and precision. Packed with links to online resources and personal tips from successful, high-profile traders, Win By Not Losing gives you everything you need to: Identify the market metrics that are important to building wealth Detect and measure the market signals foreshadowing major moves Build a portfolio with strong downside protection, full transparency, immediate liquidity, low fees, and incredible risk-adjusted returns Your portfolio returns will continue to be disappointing unless you act. It's time to make up for lost...
