Createspace, United States, 2011. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****. ##### TOP 2 Best Seller* ##### James was a product of the project Les Enfants de la Creation (literally translated as The Children of Creation). After a mysterious and troubling childhood he is found, shortly after his 14th birthday, by Sophie Hedge. Sophie, the daughter of one of the project scientists, explains that each child produced by the project has been genetically manipulated to improve aspects of their natural abilities. These abilities take several forms and it s only during puberty these become apparent. James is forced into hiding by the lethal pursuit of the former project direct. On the run and clueless it s not until he meets up with Sophie again ten years later that the pieces begin to fall in to place. He discovers that the former project controller, Dr Ben Chermin, is slowly harvesting the abilities of the project subjects. Time is running short to reach the last few alive. James and Sophie s journey for answers takes them, and their newly found friends, around the globe in a race against time with the project director in a brutal and bitter showdown. Join them in this tense blockbuster ride through love, lust, desire and destruction. What the critics are saying about Peripheral: You will enjoy the plot twist and hide from the thrill ride. Others compare this to X-Men and Dan Brown but I say Zeth Ward can stand his own ground and one day people will be compared to him. - 4/5 Albert Robbins III, FreeBookReviews (14/10/11) *Taken from official Amazon listing page figures for Technological Thrillers Sci-Fi Action - January 2012.
