## Sliver of truth

By Unger, Lisa

Random House, Australia, 2007. Trade Paperback. Book Condition: New. 355 pages. Minor cover blemishes. Love hurts. Sometimes it even kills. One day Ridley Jones stepped off a street corner and into an abyss of violence, deception and fear. Everything she thought was true turned out to be a lie. Just as she's beginning to move on with her life, another seemingly ordinary act puts her life in danger and makes her question everything and everyone who's close to her. Forced to hunt down a ghost from her past Ridley wonders if she's ever had the power to shape her own destiny - and whether love has any reality beyond her own imagination. Take a terrifying helter skelter ride through the streets of New York to London and back again as Ridley risks everything - and learns to trust no one - in a race to find the truth before it catches up with her. ### Reviews

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).*
