Readers to Eaters, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "[A] lively biography. chronicling the life of one contemporary foodie who has worked to make a difference in children's nutritional lives. The art greatly enhances the text, with its varied multitude of cheerful people growing, preparing and enjoying food, as well as the use of different framing techniques and vantage points. They will be all the better for your wait. 4) If your plate is too full, it is hard to taste. If something is truly delicious, you don't need to eat so much to be satisfied. It's when things don't have flavor that you eat more and more and more, searching for flavor that isn't there. 5) Cook with your...
