GRIN Verlag. Paperback. Book Condition: New. Paperback. 72 pages. Dimensions: 8.3in. x 5.8in. x 0.2in. Research Paper from the year 2009 in the subject Geography Earth Science - Economic Geography, grade: -, Mindanao State University, language: English, abstract: This study is aimed at thoroughly examining everyday socio-economic and political routines of Muslims in Zamboanga City and Basilan, with emphasis on economic issues, in order that a wider and more conclusive perspective may be gained on these aspects, obtaining direct observations on the issues presented herein. As a beneficial consequence, this study would bring forth highly-verified information that will be entirely useful and significant to the development efforts in Muslim Mindanao and therefore contributing in a palpable manner to the peace efforts thereat. When the desired information and data would be collated in the final results of this study, government and other concerned entities --- such as developmental non-governmental organizations and international funding agencies --- could gain highly provable insights of routines and daily socio-economic and political activities or routines (especially on economic or livelihood activities) of Muslims and members of ethnic minorities in Zamboanga City and Basilan, thus, allowing a more effective creation of economic opportunities for the subjects of this study, gaining initial foothold on a series of economic activities that the respondents are more accustomed to, and are most convenient with. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
