Pub Date :2012-01 Pages: 279 Publisher: Educational Science Press sheet: 18.75 Description as the leading city of the Beijing Education. Xicheng District. has been on education reform and development of Beijing and the country produces a significant impact. Principals can be described as the mainstay of the achievements in the fine tradition of the West Side Education. the essence of the advantages of education resources. Therefore. in order to rescue-the school of thought of the old principal retired and about to retire mining. sorting. refining. SPs school of thought has worked and worked experience system to collect. collate and summarize the book of from the start in 2007. which lasted 4 years of in-depth interviews of 19 West Side representative principals (principal) - from Zhongxiao You to vocational education. special education. elite schools such conditions are generally ordinary school to the Beijing Fourth. interviews content from the understanding of the role of principals. the idea of ??running the journey to the principals. from teachers of growth. the development of students to the campus culture construction . ultimately simple but vivid strokes into the book. and establish a both persistent quest for ideals. struggling in the reality of the outstanding principals image. These images enough to play the role of example of the power to stimulate the national basic education school principals based on the accumulation. bear in mind that innovation. help effective exploration and crack of the problem of school management. Therefore. this book is not only the West Side outstanding principals groups value of mining and summarize available for primary and secondary school principals to learn more contemporary education of cadres as an important case study materials...
