*It is one of the best books. Better than ever, though I am quite late in starting to read this one. I am delighted to explain how this is the best book I have ever studied in my personal lifestyle and might be the best PDF for ever.*

## MICHAEL PARKINSON ON CRICKET

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Michael Parkinson on Cricket, Michael Parkinson, For most of his professional life Michael Parkinson has been a highly regarded sports journalist. This consistently entertaining collection of his best articles reminds us that his first love is cricket and the people who excel at it. His ambition to play for England was thwarted, but not before he opened the batting with a young Dickie Bird at Barnsley. Along with hilarious memories of his cricket mad father and a lost youth emulating his heroes in street games, Michael Parkinson has written compelling descriptions of great players he has known and the moments or matches during which they became famous. Unsurprisingly, there is an edge to what the author has to say about cricket administrators and the way the game is run; the book is a sheer joy to read and written with the author's easy assurance.
