MAGICAL MONTY (PAPERBACK)

Candlewick Press,U.S., United States, 2013. Paperback. Book Condition: New. Anik McGrory (illustrator). Reprint. 208 x 140 mm. Language: English . Brand New Book. Monty tries to master a magic kit -- and finds some real-life situations tricky -- in this spot-on story about an endearing, utterly relatable first-grader. First grade is almost over, and Monty will soon be seven. He s now a big brother, too, which makes him feel very grown-up. But when he tries to use the magic set his grandmother gave him, he has a little trouble. Maybe the card trick would work if he were eight years old? Mother s Day is coming, and Monty wishes he had something better to give his mom than the picture frame he made out of ice-cream sticks at school. But how is he supposed to guess from the TV call-in ad how much flowers cost, or that you need a special card to get them? Whether involving his baby sister in his library project, losing a sneaker while marching with his karate class in the parade, or learning that an exciting afternoon isn t always a good thing, Monty s familiar adventures embody the gentle humor of everyday life.
