Blockchain Revolution: How the Technology Behind Bitcoin Is Changing Money, Business, and the World

By Don Tapscott, Alex Tapscott

BRILLIANCE AUDIO, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. The first book to explain why blockchain technology will fundamentally change the Internet, what it does and how we use it. Over 30 years, no theorist of the digital age has better explained the next big thing than Don Tapscott. For example, in Wikinomics Tapscott was the first to show how the Internet provides the first global platform for mass collaboration. Now, he writes about a profound technological shift that will change how the world does business and everything else using blockchain technology, which powers the digital currency Bitcoin. The Internet as we know it is great for collaboration and communication, but is deeply flawed when it comes to commerce and privacy. The new blockchain technology facilitates peer-to-peer transactions without any intermediary such as a bank or governing body. Keeping the user s information anonymous, the blockchain validates and keeps a permanent public record of all transactions. That means that your personal information is private and secure, while all activity is transparent and incorruptible reconciled by mass collaboration and stored in code on a digital ledger. With its advent, we will...
