Reviews

An incredibly wonderful book with perfect and lucid explanations. It normally is not going to price a lot of. I am just very happy to tell you that this is the greatest pdf we have go through within my personal lifestyle and could be he finest book for at any time.

(Bart Lowe)

SCHIZOPHRENIA: MEDICINES MYSTERY - SOCIETYS SHAME

Bridgeross Communications. Paperback. Book Condition: New. Paperback. 190 pages. Recommended by the World Fellowship for Schizophrenia and Allied Disorders, this book outlines all of the issues involved with schizophrenia and its treatment including history, causes, physiological changes in the brain and best treatments. It is an ideal reference and support for family members and others interested in this disease. It is also suitable reading for students in health care fields (including medicine and nursing), psychology, social work and any occupation that needs factual information on schizophrenia. This book is a powerful resource for anyone looking for answers and insight into the world of mental illness. Schizophrenia Digest Magazine, Fall 2008

Read Complete Review Jean Desclin MD PhD describes Schizophrenia: Medicines Mystery - Societys Shame as a critical and lucid review He goes on to say that the book demystifies a number of superstitions and false beliefs about schizophrenia and that it explains the causes of mental illness that are not well explained by what he terms so-called professionals. Here is his review (in French)

Robert Fripp of Toronto had this to say about the book on Amazon. com This hard-edged blueprint takes a logical approach, giving a much-needed critique of historical myth as well as all too recent quasi-scientific blunderings that may have caused decades of delay in the search for rational treatment for this far-from-rational and thoroughly misunderstood disease. Too much received opinion on this subject has been wrong, and Ross correctly dedicates considerable space to expunging error. Read the full review

From Abilities Magazine - Issue 77, Winter 2008

09a helpful and empowering guide

From the preface by David Dawson MD, FRCP(C) - former Professor of Psychiatry, Faculty of Health Sciences, McMaster University and former psychiatrist in chief, Hamilton Psychiatric Hospital, both in Hamilton, Ontario, Canada

Marvin Ross commendable book is a survey examining schizophrenia...
