AUTHORHOUSE, United States, 2010. Paperback. Book Condition: New. 280 x 210 mm. Language: English . Brand New Book ***** Print on Demand *****.As you read this book about the role of Kindergarten teachers in the classroom, as teachers, parents, and educators you will know that early childhood is the most critical period in human growth and development of young children. Early childhood educators from the classroom have help me develop this book such as Piaget, James Hymes, and Marie Montessori. Each Kindergarten teacher will acutely aware that a student s future attitude toward learning is often determined by early educational experiences. As Kindergarten teachers learning is an essential part of every child s life. Therefore, if we desire to enable each child to learn more, time for learning and appropriate play material must be provided for them by the Kindergarten teacher. The roles of the Kindergarten teachers are very rewarding and challenging. I believe my book, The Role of the Kindergarten Teacher in the Classroom, hope that it will provide some practical suggestions for those teachers of young children who are searching for more effective learning strategies.
