The Transcendental Awareness of Buddha: A Workbook for Interpreting the Teachings in Lankavatara Sutra and Diamond Sutra (Paperback)

By M Piironen Henry M Piironen, Henry M Piironen

iUniverse, United States, 2010. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The Lankavatara Sutra is the cornerstone of Chinese Chan and Japanese Zen, and the teachings in the Lankavatara Sutra are considered as the authentic words of the Siddhartha Gautama Buddha, and speaks of the transcendental awareness of all Buddhas, wherein the Diamond Sutra is a book of the Perfection of Wisdom, completing each other in this workbook, that as progressing step-by-step deeper into the enlightenment and transcendental awareness of Buddhas, and stages those on the Path of Enlightenment travel through, functions as the definitive guide to Nirvana. And as this workbook encourages the readers to write their interpretations of the teachings, the books create a deep contemplative atmosphere for readers, and gives writing tips to enforce the creative process when filling the spaces for interpretations. This is a book for all those who seek enlightenment, Nirvana or deeper understanding on the nature of Buddhist beliefs, in the spirit of the universal human a part of the demystified series. Mahamati, the error in these erroneous teachings that are generally held by the philosophers lies in this: they do not...
