

Profiles In Hue

By George D Johnson

Xlibris, Corp. Paperback. Book Condition: New. Paperback. 384 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. Reverend George D. Johnsons Profiles in Hue is one of the most exhaustive works on the history of black America. But what makes Johnsons work stand apart from other works is that he does not limit himself to the history of blacks, but includes a discussion on other racial groups, such as the Japanese internment during WWII and Native Americans that have suffered mistreatment. Johnson says, I never really liked the term Black History because of its narrowness. Longevity has taught me to believe there is only one Universal race and thats the human race, comprised of many shades of colors, coming from a single source of LIGHT. And upon that belief I could not limit my research to just the history of blacks who have contributed to making the multi-color quilt that covers this great country of ours known as the United States of America in which the title of this book: Profiles in Hue emerged. Johnsons exhaustive seminal work provides us with a more exhaustive piece on politics and religion, arts and sciences, labor and industry, law, education, sports and entertainment, among other fields....

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
