Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In the month of July, 1889, I was encamped in the Taveta forest, 250 miles from the east coast, and at the eastern foot of Mt. Kilimanjaro. I was accompanied by my servant, George Galvin, an American lad seventeen years old, and had a following of 130 Zanzibaris. My battery consisted of the following weapons: one 8-bore smooth, using a cartridge loaded with 10 drams of powder and a 2-ounce spherical ball; one .577 and one .450 Express rifle, and one 12-bore Paradox. All these were made by Messrs. Holland Holland. My servant carried an old 12-bore rifle made by Lang (intended to shoot 4-1/2 drams of powder, but whose cartridges he recklessly loaded with more than 7) and a .45-90 Winchester of the model of 1886. Taveta forest has been often described by pens far abler than mine, so I will not attempt to do this. It is inhabited by a most friendly tribe of savages, who at the time of my visit to them possessed sufficient food to be able to supply the wants of my caravan. I therefore made it a base at which I could leave the major part of my following, and from which I could with comfort and safety venture forth on shooting trips, accompanied by only a few men.
