

The Battle for Europe: How an Elite Hijacked a Continent and How We Can Take it Back

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

THE BATTLE FOR EUROPE: HOW AN ELITE HIJACKED A CONTINENT AND HOW WE CAN TAKE IT BACK

Pluto Press. Paperback. Book Condition: new. BRAND NEW, The Battle for Europe: How an Elite Hijacked a Continent and How We Can Take it Back, Thomas Fazi, The Battle for Europe brings into sharp focus the historical importance of the current Eurozone crisis. Thomas Fazi argues that European Union (EU) elites have seized on the financial crash to push through damaging neoliberal policies, undermining social cohesion and vital public services. Drawing on a wealth of sources, Fazi argues that the EU's austerity policies are not simply a case of political and ideological short-sightedness, but part of a long-term project by elites to remove the last remnants of the welfare state and complete the neoliberal project. As well as an urgent critique of the EU and monetary union as currently constituted, The Battle for Europe showcases a programme for progressive reform and outlines how citizens and workers of Europe can radically overhaul EU institutions.
