Thomas Nelson Publishers, United States, 2009. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. Ruby s finding out that life is all about improv .Small-town girl Ruby Madden has moved to Marin County, California; home of high-dollar homes and green living. The girls wear shoes that cost more than her entire paycheck at the Underground Coffeehouse Theater, and the students are well-traveled and full of life experiences that Ruby can only dream of. All the stresses of adjusting to her new life have put a strain on her ability to trust God. Yet when mysterious and eye-catching Kaden invites Ruby to join the school s film group, the puzzle pieces start to fit. Her love of art finds perfect expression and the film friends seem to really get her. When a major Hollywood director hosts an amateur film contest, Ruby and her friends are stoked. But Ruby s old life is tugging her backward and her frantic balancing act throws her new life totally off track. To top things off, Ruby makes a mistake that could cost her the chance of a lifetime. Life would be so much easier if Ruby just had a script to follow with a happy ending guaranteed. But what s the fun in that?.
