Reviews

It in one of the most popular ebook. It usually fails to price an excessive amount of. Its been printed in an extremely basic way in fact it is merely right after i finished reading through this book in which really altered me, change the way i believe.

Thousands of primary and secondary schools. hundreds of millions of children in their education. But this kind of education is the education of a single dimension. It is almost exclusively responsible for the transmission of knowledge. such as aesthetic education. emotional education indispensable dimension. but it almost did not enter the education system. Such a single-sided education. it fosters a perfect can create the perfect personality emotional diary is a small remedy mistakes on the current education. Maybe we should not overestimate its role and power. but it is extremely valuable. and it is extremely noble. Read these diaries. will be moved will be probation. Right now. the urgent need for this move. need this kind of probation. The executive summary of today's Chinese education. the lack of many important dimensions. one of which is the emotional education.
