

Playing in the Unified Field: Raising & Becoming Conscious, Creative Human Beings

By Carla Hannaford, William A Tiller

Great River Books. Paperback / softback. Book Condition: new. BRAND NEW, Playing in the Unified Field: Raising & Becoming Conscious, Creative Human Beings, Carla Hannaford, William A Tiller, Our ideas about what we are and what we are capable of lag far behind what the science of the last hundred years has shown us. We are vibrational fields in a sea of vibrational fields, open to all potential. We are dynamic, learning beings with unavoidable power to influence one another and the surrounding world. The time has come to integrate these discoveries into our lives and the ways we raise and educate our children. Carla Hannaford, bestselling author of Smart Moves draws on science, our heritage of human wisdom, and her own experience as a biologist, parent and educator to advance an empowering new view of reality. Playing in the Unified Field offers inspiration, models and practical advice for raising our families with coherence, presence, love, and trust in their capacity to learn and grow.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.
