

After the Revolution Has Passed Us by: An Experiment in Technological Expression (Paperback)

By Trisha Barnes

River Canyon Press, United States, 2011. Paperback. Book Condition: New. 228 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****. A revolution within a revolution. In this groundbreaking book, author Trisha Barnes has pushed the boundaries of expression and technology. The first book in the world to be created entirely from QR Code, the experimental and organic poetry contained inside speaks to the challenge of retaining essential human communication -- through contact and touch -- in an increasingly technological society. A revolution within a revolution -- the book bridges the gap between the written word and the electronic word, creating a genre called device literature. To read this title, use a QR CODE enabled electronic device to scan each page. Free QR CODE READER apps are available for many smart phones and other devices. Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
