

Phenomenology of Tools: Philosophical Observations on the Nature of Tool Wielding (Paperback)

Filesize: 7.83 MB

Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

PHENOMENOLOGY OF TOOLS: PHILOSOPHICAL OBSERVATIONS ON THE NATURE OF TOOL WIELDING (PAPERBACK)

Pennywheel Press, United States, 2010. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.The Phenomenology of Tools was written in the 1970s and first published in 1982. This second edition includes added photographs illustrating the poem, a new preface, and several appendices. In 1999, H. G. Brack became the curator of the Davistown Museum. His Curator s Riff from the museum s 2005 show catalog is reproduced as an appendix. It provides a less abstract synopsis of the phenomenology of tools, especially as experienced and presented by New England artists, toolmakers, and others in the permanent collection of the Davistown Museum. Using a poem by Philip Booth as a context in which to explore the show s theme of the marriage of tools, art, and history, both the Curator s Riff and the exhibition explicate a key element of the phenomenology of tools that is only briefly referenced in the first edition text, i.e. the joys of the convivial use of tools. From the simple joys of gardening to the subtle satisfactions of mechanics, machinists, artisans, and artists, an enduring lesson of forty years as a mooncusser (tool salvaging) is how much fun we have with our tools. Decades of observing the enjoyment that both tool customers and museum visitors express upon buying, owning, and using or viewing tools stand in contrast to the ominous legacy of our technological achievements.
