Brand New Book ***** Print on Demand *****.Not your typical Western; it's a fun read. In the American West during the late 1800s a powerful federal judge has a plan to install a college educated Indian in the Bureau of Indian Affairs. But the bureau in Washington doesn't want an Indian messing in their affairs. The judge makes Tyrone Narrowhawk (Hawk) a U.S. Marshal and sends him covertly into the western territories to investigate the illicit importation and use of dangerous chemicals on cattle. It's still the wild west with gun toting tough guys, outlaws, and running gun battles. He teams up with a 6'2" cowboy sharp shooter on the run from something he didn't do. Despite dissimilar personalities and education they work well together and pursue clever and dangerous criminals on horseback, trains, and even a ship in the harbor across the Nevada desert to San Francisco to Denver and back again. Hawk and his partner Merle Johnson begin their adventure.
