Girls, however, should not be too much afraid of sunshine, so beneficial is it in a general sense to the complexion. The American Author before quoted recommends as a preventive to sunburn that the face, throat, and arms should be rubbed well with cold cream or pure almond oil before going out; but we imagine that English girls would prafer the ruddiest tanning, that an English sun can inflict to the adoption of his uncleanly expedient. We record it, however, for the benefit of those who are otherwise minded. 137. WE NOW COME to...
