WHO WAS MAYA ANGELOU? (PAPERBACK)

Grosset and Dunlap, United States, 2016. Paperback. Book Condition: New. 193 x 135 mm. Language: English . Brand New Book. Born in Missouri in 1928, Maya Angelou had a difficult childhood. Jim Crow laws segregated blacks and whites in the South. Her family life was unstable at times. But much like her poem, Still I Rise, Angelou was able to lift herself out of her situation and flourish. She moved to California and became the first black - and first female - streetcar operator before following her interest in dance. She became a professional performer in her twenties and toured the U.S. and Europe as an opera star and calypso dancer. But Angelou's writing became her defining talent. Her poems and books, including I Know Why the Caged Bird Sings, brought her international acclaim.
