By Will Coghill-behrends, Rebecca Anthony

Createspace, United States, 2012. Paperback. Book Condition: New. 251 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****. The PhD Handbook for the Academic Job Search: an owner's manual for finding jobs is the latest from Will Coghill-Behrends and Rebecca Anthony about the academic job search process for folks seeking teaching, research and related positions in academe. The PhD Handbook for the Academic Job Search, is an invaluable resource that describes the process from start to finish (including some things to do before you enter your job search year). Job Seeking in academe can be brutal, demoralizing and downright confounding. This handbook will help you feel not so beaten up by helping you identify employment possibilities, better understanding the selection process, and maximizing your appearance, both in person, in print, and online, so that you can get the job you started working toward several years ago. This as much about finding out who you are professionally and personally as it is successfully navigating the process. This resource contains several activities that will help you identity and better define your professional identity. By streamlining your marketing and self-promotion plan, you ll be better able to...
